Privacy Policy

We would like to inform you that the data you have provided in your membership application regarding your personal and factual circumstances (so-called personal data) will be stored on the data processing systems of both the section you are joining and the DAV Federal Association, and will be processed and used for the administrative purposes of the section and the DAV Federal Association, respectively (Art. 6(1)(b) GDPR). The data controller within the meaning of Section 3(7) of the Federal Data Protection Act (BDSG) and Article 4(7) of the GDPR is the section you are joining.

Any transfer of parts of this data to the relevant regional and sports associations takes place solely for the purposes set out in the statutes of those associations. These data transfers are necessary for the organisation of matches and competitions and for the purpose of securing public funding, and therefore serve a legitimate interest (Article 6(1)(f) of the GDPR).

We assure you that we will treat your personal data as confidential and will not disclose it to any parties outside the DAV, whether outside your local section, the DAV Federal Association, or the relevant regional and sports associations. Where we use data processors for data processing, we have entered into the necessary contracts in accordance with Article 28 of the GDPR – for further information on which data processors are used, please contact your section. You may at any time request in writing information regarding the data stored about you and demand correction if the data stored by the section and the DAV Federal Association is incorrect. Should the stored data not be necessary for the processing of the section's or the DAV Federal Association's business processes, you may also request that your personal data be blocked or, where appropriate, deleted. If the use of the data is based on a legitimate interest, you may object; if it is based on your consent, you may withdraw this at any time with effect for the future. Finally, you have the right to lodge a complaint with the relevant supervisory authority.

The DAV Federal Association periodically sends out the members' magazine DAV Panorama in the format of your choice (print or digital). If you are not interested in receiving DAV Panorama, you can opt out by informing your DAV section in writing or changing your delivery preference via the self-service portal Mein.Alpenverein (<https://mein.alpenverein.de>). Once your membership has ended, your personal data will be deleted, unless it must be retained in accordance with tax law requirements.

Neither the section, the DAV Federal Association, the DAV Federal Association's cooperation partners, nor the respective regional and sports associations will use your personal data for advertising purposes.

I have noted and accepted the above information regarding data protection.
